

Trojan Gold Inc. Announces the Appointment of a New Independent Director

TORONTO, ON, October 5, 2022 – **Trojan Gold Inc.** ("TGI" or the "**Company**") is pleased to announce that it has appointed William Moore as an Independent Director and will be replacing Gerry White, P.Geog who has resigned as a Director.

Since 2005, William Moore has been a partner at Toronto-based private equity firm Bolger Capital Partners. Mr. Moore has been working in the investment business since 1990 and has successfully taken, or been involved with, more than 15 companies going public. He has also assisted in raising over \$100 million on behalf of his clients. Mr. Moore has served on a number of boards and has been instrumental in day-to-day operations in the mining and technology sectors and has also spent 17 years working as a volunteer with the Salvation Army.

Charles Elbourne, President and CEO of the Company stated, "I am very pleased to welcome Bill to the Board. He brings decades of financial and mining industry experience to the Company, which will be highly beneficial to TGI as it looks to build shareholder value. On behalf of the board, we look forward to Bill's professional advice, insight and leadership as the Company works to capitalize on its strategically located properties in northwestern Ontario".

Charles also took the opportunity to thank Gerry White for his valuable service to the Company as a Director and stated that, "Although we reluctantly agreed to accept his resignation from the Board, we are pleased that he has agreed to stay on as an Advisor to the Company."

The Company would also like to announce that it has granted William Moore 200,000 incentive stock options under the Company's Stock Option Plan. Each option is exercisable at a price of \$0.075 per common share, vests immediately and expires three years from the date of the grant

Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as “may”, “will”, “expect”, “likely”, “should”, “would”, “plan”, “anticipate”, “intend”, “potential”, “proposed”, “estimate”, “believe” or the negative of these terms, or other similar words, expressions, and grammatical variations thereof, or statements that certain events or conditions “may” or “will” happen, or by discussions of strategy. Forward-looking information contained in this press releases includes, but is not limited to the timing and amount of estimated future exploration potential and success of such exploration activities.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is based on assumptions made in good faith and believed to have a reasonable basis. Such assumptions include, without limitation, that sufficient capital, personnel and other resources will be available to the Company that will allow it to undertake exploration activities on its properties.

However, forward-looking statements are subject to risks, uncertainties, and other factors, which could cause actual results to differ materially from future results expressed, projected, or implied by such forward-looking statements. Such risks include, but are not limited to, the impact of the recovery post COVID 19 pandemic, including but not limited to its impact on precious metals and the mining industry generally; the Company not having access to the resources it needs in order to carry out its proposed exploration activities on the timeline described in this press release or at all; there being no assurance that the exploration program will result in expanded mineral resources; risks and uncertainties inherent to any mineral resource estimates; receipt of necessary approvals; general business, economic, competitive, political and social uncertainties; future gold and other metal prices; accidents, labour disputes and shortages; environmental risks; and other risks relating to mining industry, including the risks set out in the Company’s public disclosure documents that can be found on its profile page at www.SEDAR.com.

Accordingly, undue reliance should not be placed on forward-looking statements and the forward-looking statements contained in this press release are expressly qualified in their entirety by this cautionary statement. The forward-looking statements contained herein are made as at the date hereof and are based on the beliefs, estimates, expectations, and opinions of management on such date. The Company does not undertake any obligation to update publicly or revise any such forward-looking statements or any forward-looking statements contained in any other documents whether as a result of new information, future events or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required under applicable securities law. Readers are cautioned to consider these and other factors, uncertainties, and potential events carefully and not to put undue reliance on forward-looking information.
